

If you think children's play is as important as we do then we want you to work with us!

Islington Play Association is a vibrant, proactive children's charity. Our aim is simple - to create, provide, improve and protect places for the children of Islington to play.

Play is what children do when they are allowed freedom to explore their world

Our Adventure Playgrounds are unique exciting places to work where no two days are the same. Expect to be amazed and inspired by the depth and breadth of the innovative and original ideas of children at play.

IPA is looking for a wide range of workers who, as well as being **advocates for play** are also **resourceful, innovative, reflective and committed to our values**. We want you to join our team of experienced and qualified play people. The opportunities we are offering will be delivered from our many children's play sites across Islington. You will work with us to ensure that the children of Islington benefit from excellent play opportunities.

Jobs Available

Sessional Playworkers - £10.53 per hour (inclusive)

We are looking for creative, playful people to become part of the teams at our adventure playgrounds and early years setting. This post would suit someone who wants to work flexibly on an as and when basis. We particularly need sessional playworkers in the school holidays, and have some opportunities during term time.
