New Holiday Childcare 2018

Timbuktu Adventurer's Club

Timbuktu Adventurer's Club is childcare with a difference! Every day is an adventure!

Children shape their days to suit their interests, spending the day as a pirate, searching for bugs, building a den or making flags, kites, pictures and sculptures.

Our Adventure Playground has swings, slides, rope-bridges, a huge sand pit and treehouses. Qualified staff provide a variety of exciting activities every day. We nurture children's ideas, curiosity and creativity through play.

Do you want your child to have an adventure every day of the holidays? Then our new Adventurers Club is for you!
