IPA looking for new trustees

Previous trustee experience is not required

IPA believes that play is what children do when they are allowed the freedom to explore their world. Our play places are unique, exciting places where no two days are the same.

IPA runs five adventure playgrounds, Paradise Park Children's Centre and many other play projects across the borough. We welcome parents and carers across our services to support children to access play opportunities.

As we look for new ways to bring in funding and keep expanding our services in a time of reducing budgets and increasing needs, we are looking for a resourceful, creative and committed person to strengthen our Board of Trustees. Expect to be amazed and inspired by what the children get up to and help us to make sure that more children get to play.

This is a non-remunerated positions (expenses paid) and all Trustees are asked to give the equivalent of 10 meetings per annum mostly weekday evenings with occasional weekends for Board meetings, sub-committee meetings, annual away days and ad-hoc trustee panels.

DO YOU:

- *Want to support adventure play and other children's activities in Islington for all children, regardless of ability, race and gender
- *Have personal integrity, good communication skills, can think independently, have common sense and vision
- *Have energy, commitment and passion
- *Have knowledge and experience in one or more of the following areas: fundraising, communications, marketing, capital projects, the charity sector or being a parent in Islington!

We are also looking for an Honorary Treasurer with the skills to work with well with the in-house finance team
Responsibilities include: oversee and advise on annual budget and accounts, reserve management, quarterly expense / income balances, and their linkage to the ongoing strategy.
